This has been missing since late summer of 2017. Mrs Ellerington-Jennings has been having discussions with Patrick Wharam, ERYC but nothing has been resolved. J Bird advised that a new bridge has been made but that it cannot be put back for a while due to the conditions of the land. Signs have been erected at both ends of the footpath although they could do to be larger in size. Councillor Pollard will speak to ERYC on behalf of the parish council.

Many compliments had been received regarding the gritting of the roads around the village

and the parish council would like to keep this service operating. S Nicholson proposed, J Bird seconded, and all were in favour of the above.

**Venue charges:** The clerk had received correspondence from ERYC advising that they were not going to be after 1<sup>st</sup> April 2018 providing the school hall for parish council meetings free of charge. They would be charging £15 per hour for 2018/2019 and then this figure would be reviewed after that. The clerk had sourced other venues and put to the councillors that they could have the bowls room at the sports hall for £8 per hour. S Mathison proposed, J Bird seconded, and all were in favour of holding the meetings in the bowls room for 2018/19 and this would then be reviewed after 12 months. K Macklin and M Hilton declared a non-pecuniary interest in this matter and did not take part in the discussions.
